### **JOB DESCRIPTION**

**POSITION:** Groundwater research intern (3 positions)

**DEPARTMENT:** Environmental Science

**SUPERVISORY CONTROL:** Andrew Kozich, ES Department Chair

**SALARY:** \$12.00/hr.

**DURATION:** January 2019 – December 2019

#### **QUALIFICATIONS:**

- Valid driver's license required
- Preference is given to Environmental Science majors, but others who have completed at least one science course may apply
- Preference is given to students nearing graduation
- Applicants with strong computer skills preferred
- Must be available for evening and weekend work
- Must arrive for work on designated days/times/locations
- Employment is contingent upon the satisfactory result of a Security Background Check, pre-employment drug testing and pre-employment physical
- This work involves interacting with the public, including entering peoples' homes to collect water samples – respect and courtesy are critical qualifications in addition to the standards of character listed below.
- Minimum standards of character: Must not have been found guilty of, or entered a plea of nolo contendere or guilty to any felonies offense or 2 or more misdemeanor offenses involving (under federal, state, or tribal law; violations from other states will be interpreted according to the Michigan Penal Code):
  - Crimes of violence
  - Sexual assault
  - Molestation

- Exploitation
- Contact with or prostitution
- Crimes against persons
- Offenses committed against children
- Child abuse or neglect

**RESPONSIBILITIES:**

- Assist Environmental Department faculty with grant-funded research related to water quality in residential wells
- Assist with collection of household water samples across Baraga County
- Work with research team at field study sites, the KBOCC science lab, the contracted water testing lab facility (Amasa, MI), or other designated sites
- Use and maintain technological equipment responsibly
- Report to work on time and properly dressed for field work
- Maintain journal of hours worked and tasks accomplished each work day
- Behave in a professional and courteous manner with KBOCC and NRD staff, fellow interns, and community members you may meet in the course of outdoor work
- Maintain good standing in your academic program
- Other duties as assigned, likely involving related grant-funded water quality research

**INDIAN PREFERENCE:**

Preference will be given to qualified individuals of Native American Descent.

**VETERAN PREFERENCE:**

Preference will be given to veterans (need DD214).

**Distribution:** Until filled

**Send Application to:** KBOCC
