

Immunization Requirements

- **Tuberculosis:** A 2-step skin test 1-3 weeks apart (or 2 annual)
 - **1 step = 1 injection & 1 read.** For a 2-step, this needs to be repeated. Please reach out to me for further clarification.
- **MMR** showing immunity (titer or 2 vaccines)
 - Rubeola
 - Rubella
 - Mumps
- **Hepatitis B** (vaccine series, titer or signed declination waiver)
- **Varicella** (titer or 2 vaccines)
- **Diphtheria/Pertussis/Tetanus** (1 adult injection > age 12)
- **Influenza** (Annual or signed declination waiver)

Immunization information is confidential and kept in a secure location.

If you have any questions or concerns about your immunizations, please contact:

Paula Roth, MSN Ed., RN
CNA Program Coordinator
proth@kbocc.edu
(906) 524-8304

Immunization record needs to be turned in prior to clinical.
