

## Path to Purchase Incentive Menu

Boozhoo! As part of your laptop purchase contract, you have the option earn points by taking actions to improve yourself as a student, community member, and professional in order to earn your laptop. Inside this booklet are your options for earning points, divided across five categories: Student Success, Academics, Tribal Awareness, Campus Participation, and Community Engagement. To fulfill your contract, you must earn **250 points**, as well as a) a minimum of 25 points in each of three categories, or b) a minimum of 15 points in all five categories.

Each point option lists its point value, as well as the number of times you can repeat the option for points. To earn points, a supervisor must write their printed name inside the respective box and date it. An example of a properly completed box is below. The hypothetical student would have earned 10 points for their actions since they completed it twice. *\*\*\*For students who were enrolled prior to Spring 2024, you can earn retroactive points for accomplishments earlier in your college career. Your supervisor can mark the date as "RTV" for retroactive. Students who earned points from the previous 30-point system will receive a credit of their tracked points, multiplied by five.\*\*\**

<b>Make a terrible pun for illustrative purposes</b> <b>5 pts, 2x</b>	<i>Theo Rhett-Ical</i>	<i>RTV</i>
	<i>Imogen Erica Xample</i>	<i>1/5/24</i>

Students are responsible for tracking their own points and keeping their booklets in a safe place. Student Services reserves the right to verify any points claimed. If any discrepancy or uncertainty regarding qualifying options arises, the Student Success Coordinator reserves the right to make the final judgment. Each category has blank boxes at the bottom to account for additional options that become available or a student's self-directed option, with approval from Student Services.
