

HEALTHCARE MANAGEMENT CERTIFICATE

This program will provide the student with knowledge, skills, and confidence to play a key leadership role in a wide range of healthcare environments. Some of these environments include doctors' offices, hospitals, residential care facilities, and nursing administration roles. A healthcare management degree allows the student to stand out from the competition, boosting their résumé and preparing them for raises, promotions, or a step into a new career field.

LEARNING OUTCOMES

Upon completion of the Healthcare Management Certificate, students will be able to:

1. Demonstrate an in-depth understanding of the healthcare industry.
2. Develop administrative, technical, problem-solving, conceptual, and human relations knowledge and skills that provide a foundation for effective leadership in the healthcare field.
3. Use critical concepts and fundamental principles in the core business disciplines.
