RE: Presidential Search Update

We would like to inform the KBOCC community that the current presidential search did not result in an appointment. The Board will start a new presidential search in the coming weeks. We will again be supported by the Association of Community College Trustees (ACCT). As soon as the new presidential search launches, we will provide additional information through ongoing progress reports which will also be posted on the presidential search webpage.

Once again, the Board would like thank everyone in the community who participated in the open forums, and other aspects of the campus visits of the finalists and those who took time to provide feedback.

If you have any questions or suggestions, please reach out to: Cindy Lopez, Director, Search Services and Tribal College Initiatives at the Association of Community College Trustees (ACCT) clopez@acct.org or (405) 255-2566 (mobile)
